

RULES FOR FISHING IN WYNLAKES

Must be a resident of Wynlakes.

Property owners whose property abuts a lake may fish in areas of their property which adjoins the lake. Owner must accompany any guests fishing on your property.

Must have a valid fishing permit issued by the HOA office. Children under the age of 12 must be accompanied by an adult.

The only designated fishing area for all residents is the common area of the main lake on Longneedle Drive near the gazebo and 5th green of the golf course. Fishing is prohibited in all other areas of the community, such as the golf course, on or behind private property, or on any of the dams.

Permits will be revoked by Wynlakes HOA staff or Security for non-compliance of any of these rules or for any other valid reason determined by these individuals.

Please contact Security at 279-8358 if you observe fishing from an unauthorized location.
